### **Description: Lino Printing Workshop**

Discover the satisfying process of creating your own hand-printed artwork in this relaxed and practical lino printing workshop. Starting with your own ideas, you'll design an image before transferring it onto a lino block and learning how to carve it safely using specialist tools. As your design begins to emerge, you'll explore the rewarding process of inking and printing your block to create a small edition of unique prints to take home. Along the way, you'll learn techniques for achieving clear, crisp prints and gain an understanding of how the whole printing process works. You'll also receive tips and advice on how to continue printing your lino block at home using simple equipment.

Whether you're completely new to printmaking or looking to refresh your skills, this workshop offers a friendly introduction to a creative process that's both absorbing and addictive.
