Description: Nature Printing with Gel Plates

Discover the colourful and wonderfully unpredictable world of gel plate printing using acrylic paints and natural materials. In this hands-on workshop, you'll explore a range of simple mono printing techniques, using leaves, grasses and other botanical treasures to create vibrant, one-of-a-kind prints. Each layer reveals something new, making every print a delightful surprise and every piece completely unique. Along the way, you'll experiment with colour, texture and pattern while building confidence with this versatile and accessible printing process.

The workshop is suitable for beginners as well as those with creative experience, you'll leave with a portfolio of original artwork, new printing skills and lots of ideas to continue exploring this fascinating technique at home
