Description: PAINT LIKE HOCKNEY

Let's pay homage to our iPad painting hero. Bring your iPads, Android tablets and phones and let's get scribbling. Using simple drawing and painting tools we'll draw from life and paint in the field. We'll discover what's inside our mobile studios and how to make colourful lively work. Alison can give you detailed instructions on how to paint with Apple products and help you with your Androids too. At the end of the session we can even put on a digital exhibition to show off our creations. All abilities welcome, just come fully charged!
